

BIRTHDAY BOOK CLUB

The "Birthday Book Club" is a donation which provides the **St. Peter School Multimedia Learning Center** with new and exciting library-bound materials. Your child has the opportunity to participate in this book gift program as well as commemorate his or her birthday!

- If you are interested in participating, send in your payment and a "Birthday Book Club" form, accessible in [Wednesday packets](#) or [SPS Parent Forms](#).
- During recess, your child will be permitted to select from a range of hot titles which are desired in the **MLC**.
- A **personalized book plate** will be placed inside the cover of the book.
- Your child will be the first person allowed to check out his or her "Birthday Book Club" donation!
- When your child returns the book, it will be placed in the **MLC** in the "Hot Titles" section for the entire month.
- Your child will also have the opportunity to write and record a brief synopsis of the book to be displayed on **LCD** panels in the **MLC** hallway.
- Your child will also be spotlighted on the [MLC "Birthday Book Club"](#) section of the **MLC** website.

Make your child's birthday extra special this year and help out our school library book collection as well! Any questions, please contact: Sally Donner 208-8518
