PRINCIPAL'S NOTE

"Today is a good day to do great things for the glory of God!"

SECURITY UPDATE: Twelve security cameras, both inside and outside, were installed by ADT during Christmas vacation and are functioning properly. The fence for the playground area was ordered by Complete Northern Illinois Fence, but unfortunately (as of today) has not been shipped to their facility. N.I. Fence has promised installation, as soon as the fencing arrives. A *sincere* thank you to each and every family that shared their blessings at the end of this fiscal year with St. Peter School. We are still short of our monetary goal, but much, much closer than we ever expected! We are very grateful for your continued generosity!

CRISIS PREGNANCY CENTER NEEDS OUR HELP: Student Council will be collecting baby items for the Crisis Pregnancy Center during the month of January. There will be donation boxes in the office so have some fun shopping those after-Christmas sales. Some ideas include: formula, clothing, blankets, pacifiers, soap/shampoo and baby toys. On behalf of Student Council, thank you for your consideration in supporting this worthy cause.

SPECTACULAR: The Spectacular Acquisitions committee is trying to wrap things up before the catalog goes to print. **This is one last call for all donations!** Do you have any gift cards that you don't plan to use? Maybe you bought an extra Christmas gift and it would be easier to donate it than return it? Please drop any donations in the box in the office or call Kendra Okolita (630.845.0271) or Leanne Barton (630.845.0126) this week.

SIX FLAGS READ TO SUCCEED SIX HOUR READING CLUB: The 2011-2012 program is now open! Read to Succeed is a free educational program from Six Flags and Discovery Education that inspires K-6 students to engage in recreational reading. Students who complete six hours of recreational, non-school-related reading are eligible to earn a free admission ticket to a participating Six Flags theme park. Please make sure you keep track of your reading hours on your log sheet and turn them into your teacher. If you have misplaced your student reading log, another copy is available in the office.

JULIANNA TASSI'S DUCT TAPE REPORT: I have been making and selling duct tape flowers at school for the last few months. I received 97 orders for flowers. I collected \$225 to give to the families of the victims of 9/11. The specific charity that will receive the donation is the Families of September 11th (<http://familiesofseptember11.org/whoweare.aspx>). Their mission is "to raise awareness about the effects of terrorism and public trauma and to champion domestic and international policies that prevent, protect against, and respond to terrorist acts." It has been really hard to get this done but I was able to finish. If you want to do a project like this, you need to be organized. I printed out a chart to write down the flowers I needed to make and then put a check by it when it was done. To get the project done faster, I had help from my grandma, my parents, and Maddy O'Rourke in 4G. I learned that by doing your favorite things

you can give the unfortunate a better life. I had fun doing this project even though it was hard to do. I feel it was a success because of how much money I raised. I am satisfied with my project because I enjoyed people helping me and it was nice to do something for other people. Thank you to each and every individual who placed an order.
