

Grading Policy for 5B and 5A & 5B Social Studies

As students transition to 5th grade, their work will be graded on a Weighted Average in preparation for Junior High School. The following grading policy will be assigned across curriculum for 5B and for all Social Studies.

Level 1: Weighted Once (1X)

Level 1 includes daily work and most homework assignments in class and at home. Level 1 work will be taken as a grade or completion grade.

Level 2: Weighted twice (2X)

Level 2 includes quizzes (both in class and take home). Level 2 may include homework assignments, in class and take home writing assignments, and minor long term projects and presentations.

Level 3 Weighted Three Times (3X)

Level 3 work includes tests (both in class and take home). Level 3 includes major projects, reports, and presentations.
