“To assist in fostering the growth of Catholic education for the youth at St. Peter Parish”

Dear Parishioners,

Members:

Rev. Martins Emeh

The Catholic Education Commission commends your commitment to the Christian faith and your encouragement of this faith for all of our children.

*Paul Barton,
Chairperson*

The CEC is committed to fostering the growth of Catholic and academic education at St. Peter School as well as providing exceptional religious education programs for grades Pre-K through 12th. We work closely with our pastor, school administrators, and RE directors to make sure our students are receiving the best possible education.

*Mike Haddad, Vice

*Linda Fritz, Finance

The CEC’s role includes:

*Mary Hendrian,

✍ Advising and assisting administration while they evaluate and create yearly plans.

Paul Krueger

✍ Helping set policy and budgets for both the school and religious education programs.

John Rittenhouse

✍ Addressing issues of concerned parents at the beginning of each monthly meeting.

Bill Spitzig

Administration

Final approval for budgets comes from the pastor and the Finance Council. Policies and advisory steps of action must be permitted by the pastor as well.

*Roseann Feldmann,
Principal*

Our group of 8 volunteer parishioners is selected through an application process by the pastor, the school principal, the directors of religious education, and the CEC chairperson. CEC terms last three years with a possible re-appointment for another three years.

*Nicole Billapando, RE
Director/JR. High*

*Laurie Brown, High
School Youth
Ministry Director*

The CEC meets every fourth Thursday evening of the month August – May. Visitors are welcome to present concerning issues during the beginning of each meeting. In order to create sound policies and practices, we value parental input. We encourage parents to utilize the CEC’s help if concerns are not addressed adequately by administrators and RE Directors. Please contact Chairperson Paul Barton (630-669-5220) if you are interested in presenting an issue, idea, or concern at an upcoming CEC meeting or if you would like to serve on the commission.

Catholic education begins at home. Together, we can work to further educate our parish youth.
